## THE NEW LOOK CDF ONLINE

From the 12th January 2017, CDF Online users will experience a fresh new look with seamless functionality. There will be more convenient access to the most commonly used functions meaning it will be easier to use. To access the Login page, users should use the link on the top right hand corner of [www.sydneycdf.org.au](http://www.sydneycdf.org.au) and the link url **will not** change. The Login page will feature a Noticeboard for important updates and handy links back to the most commonly used CDF website pages. Users may experience a brief outage between 5pm and 7pm on Wednesday evening 11th January 2017 to allow the upgrade to occur.

To access Bpoint Login, from our Home page [www.sydneycdf.org.au](http://www.sydneycdf.org.au) simply click on the ‘Links’ button at the bottom, then click on the word ‘Bpoint’ on our ‘Links’ page. Or, from 12th Jan 2017, you can use a link from our new CDF Online Login page below
